

CEBU HASH HOUSE HARRIERS

Notes of the Mismanagement Meeting

1 February 2023

On-Sec: Busted Dick

Hashers Present:

Busted Dick	Facial Attraction	Tight Arse
French Tickler	French Kisser	Sherpa
Yummy Chopper	Disco Dick	Dribbles Weekly
Happy Hasher	Squid Balls	A Set Of Lean Balls

Officers Reports:

- Hash Cash – Tight Arse reported that 3 November 2022 we had total funds of P54765.16. The Christmas Bash costs were P47566.50 with P5200 recovered from registrations. Runs 1360 to 1368 had also generated income leaving us with total funds of P27437.
- Hasherdabber – Yummy stated that the proposed design for the hare shirts contained a spelling error so it has been returned for an amendment. A shirt supplier has been identified but their minimum order is 30 shirts so it is not possible to make individual shirt orders with them.

New Business:

- The date of the Red Dress Run was set at 12 February which is the nearest run date to Valentines Day. Other dates were discussed but it was found that any date in the next few weeks was inconvenient for some so it was agreed to continue with our traditional date. Any money raised at this event will go towards our next xharitable effort.

Details of Next Meeting: *Wednesday 1st March at The Beer Barrel*
