Hash Cash – Tight Arse reported that we currently have total funds of P29082.82 which includes the proceeds of the Red Dress Run which will contribute towards our next charitable project.

Hasherdabber – Yummy stated that we have received 30 Hare T-shirts. Awards for runs achieved were discussed, with 500 runs being the possible award target and perhaps further awards at 600, 700 etc. Undecided whether the award should be a glass mug, T-shirt or other item of similar value. Further info required.

Away Runs – a number of possibilities were aired, including Bohol, Dalaguete, Dumaguete and Siquijor. Further reflection needed, pending next months meeting.

Sherpa said he had heard of hashers discussing hash matters, and criticising the hash with non-hashers present. This was viewed dimly by the meeting is is strongly discouraged.
