Notes of the Mismanagement Meeting

3 May 2023

On-Sec: Busted Dick

Hashers Present:

Sherpa	Yummy Chopper	Arlene No-Name
French Kisser	French Tickler	Busted Dick
Dribbles Weekly	Disco Dick	Acetylene Balls
Fornicator		

Officers Reports:

- On behalf of Hash Cash, Busted Dick reported that we currently have funds of P42318.
- Yummy stated that Tight Ass proposes to purchase a T-shirt for a planned away run & the 1400th run.

Ongoing Business:

- Upcoming runs – A planned run at Adlawan Farm has an entrance fee of P100/person, and a planned A-B run will need a van to transport hashers. These additional costs were discussed followed by a unanimous vote that hashers should meet these costs themselves and not rely on Hash Cash.
- Away Run – Tight Ass is to lead a small delegation to explore possibilities in the south of the island.
- Ayala Heights – Fornicator is hopeful we will be granted permission to run there in the near future.

New Business:

- Sherpa pointed out that there have been a number of falls on runs recently and raised the matter of First Aid and a stretcher. Lean Balls suggested that Oxygen could also be purchased. After discussion the committee voted in favour of these being explored and appropriate purchases made.
