

# CEBU HASH HOUSE HARRIERS

## Notes of the Mismanagement Meeting

5 April 2024

On-Sec: Busted Dick

### Hashers Present:

Sherpa	Mouth to Mouth	No No I'm Not Your Bitch
Shag My Woofy	Facial Attraction	Busted Dick
2 Balls and a Broken Dick	A Set of Lean Balls	

### Officers Reports:

- Hash Cash – Facial reported that we have P6815 cash in hand plus P10069.72 in the bank. No No suggested that we restart the raffle to increase funds.
- Hasherdabber – Woofy reported that she has sold 12 shirts to a value of P3600 and then restocked 15 shirts leaving a surplus of P850 which is to be returned to Hash Cash. No No stated that design ideas are required.

### Ongoing Business:

- Away Run – This is largely a standing item which rarely achieves results. The latest suggestion is to visit Dumaguette, hopefully this suggestion may be taken up as Bush Pig, who lives in Dumaguette, is visiting us this weekend.  
*On-Sec's addendum – plans are now underway to hold an away run in Dumaguette in the coming May or June.*
- Publicity materials – we still have not seen the proposed leaflet so no progress to report.

### New Business:

- Run Numbers – a concern has been raised that the published run numbers are incorrect. Busted Dick explained the process by which a protected spreadsheet generates run dates and numbers, and although typo's on Google Calendar, Facebook or the website can cause confusion, he has found no evidence of such typo's or any spreadsheet errors in the last 30 months, which includes the 1400<sup>th</sup> run which was accepted as being from El Corso. The run numbers are therefore correct as published.

**Details of Next Meeting: *Friday 3<sup>rd</sup> May at Das Bier Fass***
